Re: Coal Combustion Residual Site Assessment - Big Cajun II

Dear Mr. Hoffman:

Louisiana Generating LLC ("LaGen") authorizes the U.S. Environmental Protection Agency's ("EPA") to post LaGen's May 17, 2011 response to the EPA's report and recommendations relating to the coal combustion residual ("CCR") site assessment conducted on June 21, 2010, at Big Cajun II Facility.¹ Please post this letter along with the May 17, 2011 response to indicate such authorization.

Sincerely,

Jennifer J. Vosburg

JJV/gdp

¹ The May 17, 2011 response was submitted as Company-Confidential under 40 C. F. R. Part 2, Subpart B.
